

What do our clients say?

“DSFS supported us to present the options for the commercial retail and catering outlets on one of our hospital sites, and to gain approval for the outlets to be brought back in house. Their input was invaluable, nothing has been too much trouble. The knowledge and skills of the team have been fundamental in guiding us through this complex project.”

Calderdale and Huddersfield Solutions

“The knowledge and experience of DSFS in contracts and service specifications allowed us to put in place a detailed service specification with key performance indicators that allowed us to document our facilities services input for a specific contract. The team provided detailed responses with a quick turnaround, allowing us to meet the challenging deadlines within our contracting process.”

Rutherford Diagnostics

How to find out more...

Derbyshire Support & Facilities Services

Consultancy Services

Derbyshire Support & Facilities Services is a wholly-owned subsidiary of Chesterfield Royal Hospital NHS Foundation Trust.

Companies House registration 11494436.
Registered Office: Finance Department, Chesterfield Royal Hospital, Calow, Chesterfield, Derbyshire S44 5BL

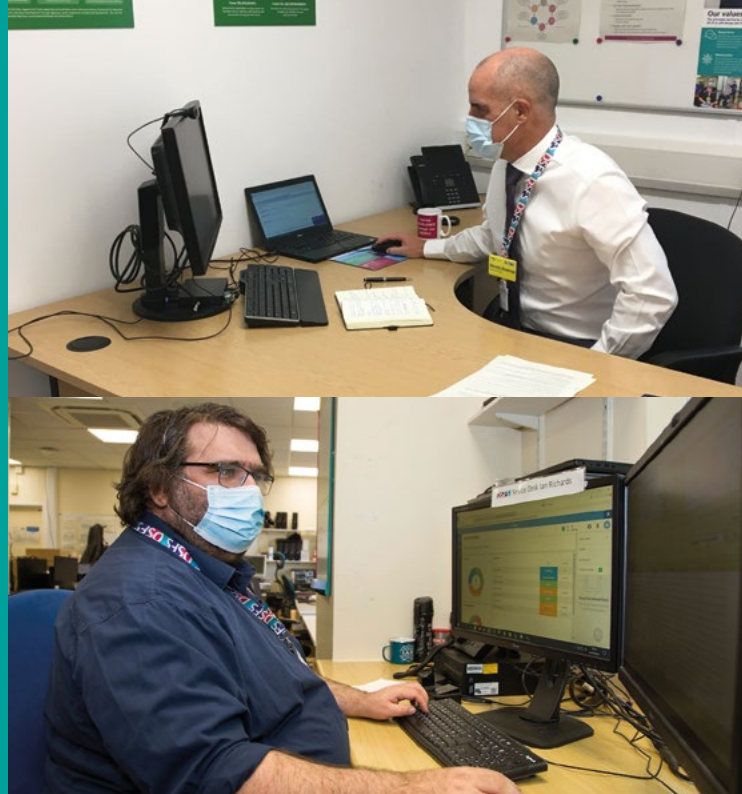

Some of the photographs in this brochure feature staff without Personal Protective Equipment. This is because they may have been taken before the COVID-19 pandemic, or in a situation where masks could safely be removed as the subject and the photographer were more than two metres apart (in an open area where other colleagues were not present).

Who are DSFS?

Derbyshire Support and Facilities Services (DSFS) is a wholly-owned subsidiary of Chesterfield Royal Hospital NHS FT providing the following services to both secondary and primary care settings:

- Estates Services
- Facilities Services
